You created the group.

This is Jango's original project which turned into Juicebox, <https://github.com/tauren/fountain.finance>, Fountain, he has been working on this for two years.

Oh wow I didn't realize the history here

Very cool find

Also btw guys I'm off the grid for a week starting today at the burn

Thanks for some epic weeks. Things haven't been easy but we're moving in the right direction. So so much gratitude for everything you both do. See you on the other side 🌟💪
